

## **List of countries or territories for which exemption or reduction of the French withheld tax is subject to a simple written proof, filed by the beneficiary of the revenues, of his status of resident of the relevant country or territory**

**Note >**

*This table only includes countries in which artist's royalties come under the category of the revenues concerned.  
This table is for information only. For all specifics and particular cases, please apply to the tax center for non-residents (see « Useful links » in French).*
